YES.
HAS IT STARTED ALREADY?
THE FINAL,
SFX: FU -> TURN ON
LET'S SEE, LET'S SEE.
I SUMMON
PELE'S VOLCANO CANNONS.
Pele's Volcano Cannons
By throwing away one of your creatures with 0 AT you can destroy a creature of your choice on the field and the owner of that creature receives 1500 damage

RIGHT NOW ICHI-NOSE-SAN HAS...
THE FEMALE PLAYER HAS HAD HER LIFE SHAVED DOWN TO 3500 THROUGH BURNS.
I SEE.
'PELE'S VOLCANO CANNONS'S ABILITY WAS
THAT IN RETURN FOR THROWING OFF ONE CREATURE ON YOUR HAND WITH 0 AT
YOU GET TO DESTROY ONE CREATURE ON THE FIELD
AS WELL AS INFLICT 1500 DAMAGE ON IT'S OWNER.
... WHICH MEANS ...
YOU SAID ... ICHI-NOSE, RIGHT?
YES.
THERE'RE 3 CREATURES ON HER FIELD,
SO IF HE CAN DESTROY THOSE
IT'S CHIKUDATE-KUN'S WIN.
OBVIOUSLY

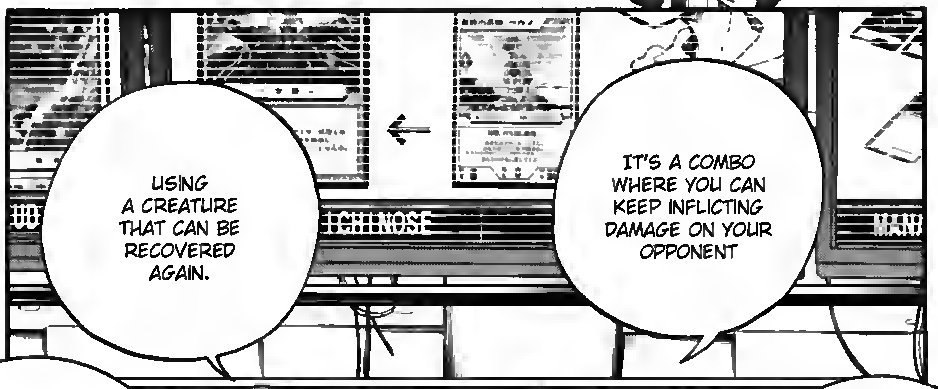
HOW INTER-ESTING ...!
To grasp the situation to such an extent with just a glance
as expec-ted...
I'M CONFI-DENT
HE WILL USE A DECK THAT IS TO YOUR LIKING.
REAL-LY!?
I WANT TO FIGHT THAT!

turn18

OH---
...

Rampanting Hero - Maui
Belligerence...cannot be destroyed
During your Draw Phase you may pay 1000 LP to return "Rampanting Hero - Maui" from your graveyard to your hand
ATK 0
DEF 0
HP 500

THEN
I'LL DISCARD 'RAMPANTING HERO - MAUI'.



USING A CREATURE THAT CAN BE RECOVERED AGAIN.
IT'S A COMBO WHERE YOU CAN KEEP INFLICTING DAMAGE ON YOUR OPPONENT

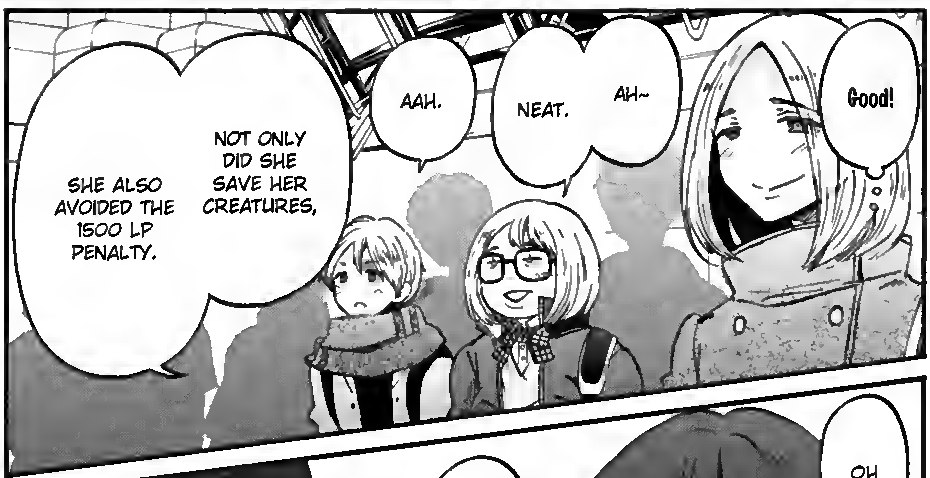
As per 'Pele's Volcano Cannons's ability
I destroy your 'Death Valley Wall'.

PLEASE WAIT.
...
RIGHT~
WITH THAT IT SHOULD BE THE GIRL'S LOSS.

CANNOT BE DESTROYED DURING THIS TURN.
MY CREATURES
BY 'FALSE IMMORTALITY'S EFFECT,

I OPEN MY HIDDEN CARD
'FALSE IMMORTALITY'.

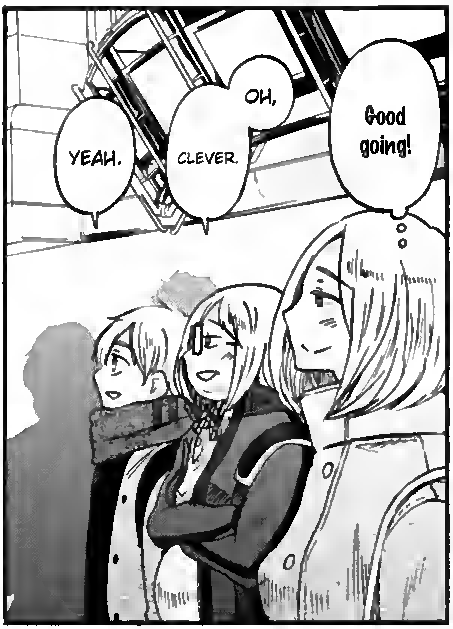


Good!
AH~
NEAT.
AAH.
NOT ONLY DID SHE SAVE HER CREATURES,
SHE ALSO AVOIDED THE 1500 LP PENALTY.

OH
OOH----?
...

SFX: HA (AS IN, EXHALING)
End turn.
I place two cards face down.
Draw.
MY TURN.
は！
END TURN.
OBJECTIVELY SPEAKING, WOULDN'T BURN HAVE THE ADVANTAGE HERE?
LET'S SEE...
WHO DO YOU THINK WILL WIN?
NE-NE-
AND EXTINGUISHING EVERY BURN TAKES TOO MANY MATERIALS.
DOESN'T WORK AGAINST CHIKUDATE'S BURN DECK.
OR STEALING HER ENEMY'S CREATURES
USING 'PRICE OF POWER'
YES...

MY TURN.
DRAW.
I PAY 1000 LP TO BRING 'RAMPANTING HERO - MAUI' BACK TO MY HAND.
I HAVE 3500 LEFT.
AND WITH THAT
I DISCARD THAT MAUI AGAIN
THUS
THIS TIME FOR SURE,
I KIND OF WANT TO DESTROY YOUR
'DEATH VALLEY WALL'~
PLEASE WAIT.
I OFFER ALL THREE OF THE CREATURES ON MY FIELD
AS SACRIFICES.
'HADES' BANQUET'.



Good going!
OH, CLEVER.
YEAH.

I RECOVER THE TOTAL AMOUNT
OF MY SACRIFICED CREATURES HP

She purposefully turned her targeted creatures into sacrifices,
thereby preventing getting damaged
and pulling of a self-heal that Burn decks dislike so much.

THIS GIRL
IS INTER-ESTING!

WAIT, WAIT.
I OPEN MY CARD
'HALEMA'UMA'U'S FIRE'
OH!
OH!!
THIS IS!

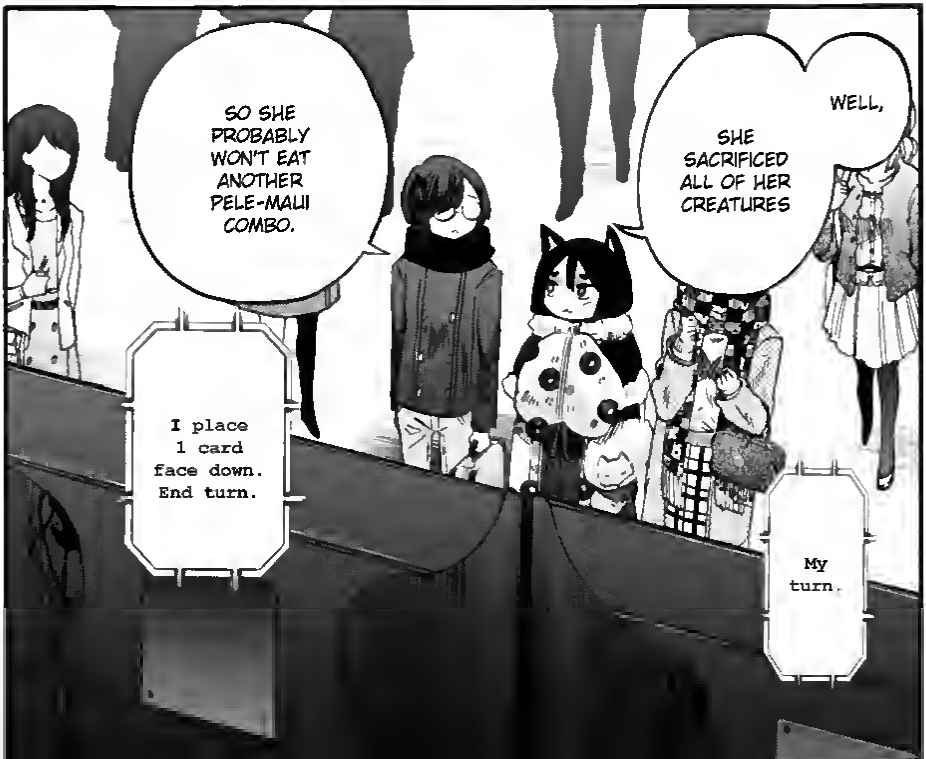
During this turn players cannot recover any LP. They can not prevent any direct damage to LP.
Choose 1 player or creature on the field inflict 1500 damage upon them
THE TARGET
IS YOUR LP.
I INFLICT 1500 DAMAGE
ON YOU, ICHINOSE-SAN.
PLUS

DURING THIS TURN
NEITHER OF US CAN RESTORE OUR LIFE
NOR AVOID ANY DIRECT DAMAGE.
...

END TURN!
I HAVE 2000 LEFT.

ICHINOSE-SAN...
CHIKUDATE-KUN IS GOOD AS WELL...
...I AGREE. BURN DOES HAVE THE ADVANTAGE.
AT LAST, SHE MAY BE IN A BIND.



SO SHE PROBABLY WON'T EAT ANOTHER PELE-MAUI COMBO.
WELL, SHE SACRIFICED ALL OF HER CREATURES
I place 1 card face down. End turn.
My turn.

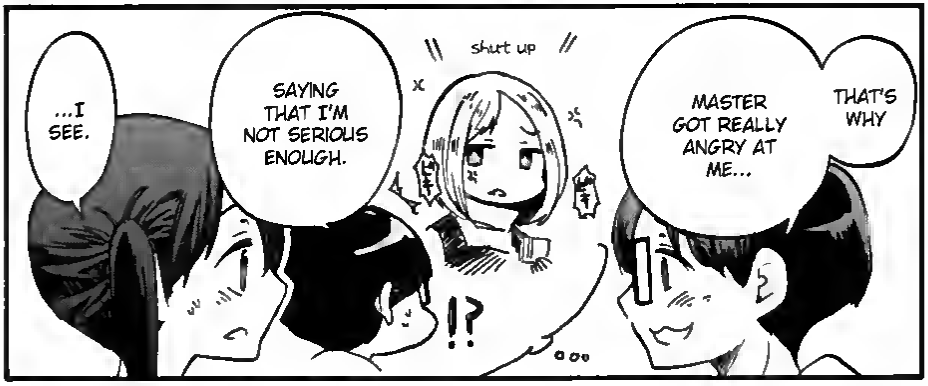
MY TURN.
DRAW.
I PAY 1000 LP TO RETURN 'MAUI' BACK TO MY HAND.
I HAVE 2500 LEFT.
HE RETRIEVED HIM, DIDN'T HE?
YEA-- WHICH MEANS...
... RIGHT.
I PLAY 'RAMPANTING HERO - MAUI'
FOLLOWED BY SACRIFICING HIM FOR
'WHITE HOT LAVA BULLET'
2500 DAMAGE ON YOUR LIFE.

IN ADDI-
TION
I UTILIZE ONE SOUL CRYSTAL
TO MAKE IT SO THAT YOU CANNOT ERASE THIS MAGIC.
...
I OPEN MY CARD
'MISLEADING MIST'.
I CHANGE THE TARGET OF THAT MAGIC
TO YOU.
ゴゴゴゴゴゴゴゴ

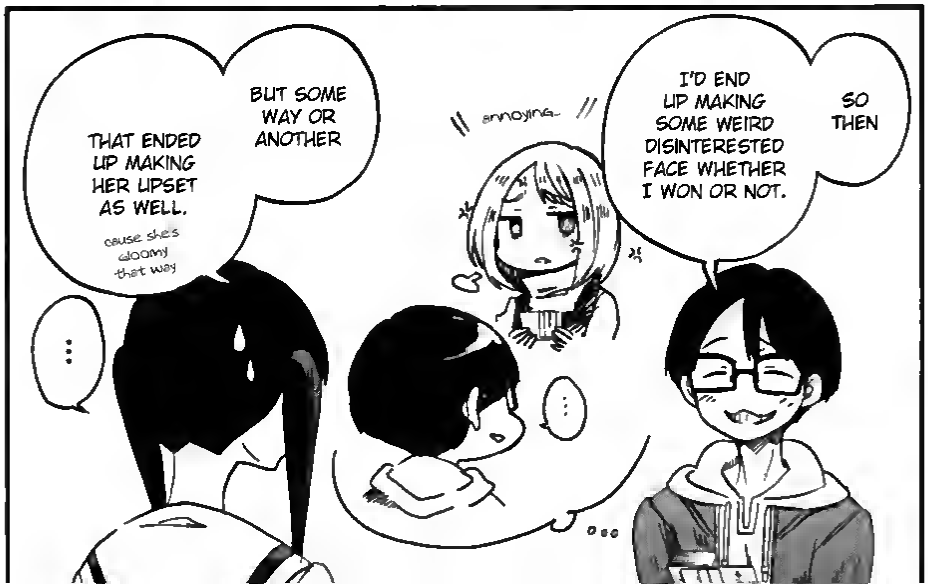
HA--
CHAN-GING THE TAR-GET...
SHE PULLED OUT ANOTHER NARROW USE SPELL...
Well, it's better than the alternative though
BUT WOULD YOU REALLY USE THAT THING IN A TOURNAMENT?
PERSON THAT GOT DONE IN BY SOMETHING SIMILAR.
UWAH--
UWA~ WA~
AH!! I LOST.
sorry

Even though he lost, he kind of seems joyful.
...
KU----..
UH-- HOW VEXING~
NH?
EH? NO.
AH.
WHAT? IS SOMETHING THE MATTER?
EH?
I, COULD IT BE, WAS I ANNOYING?

NOT AT...
EVER SINCE THE PAST I'VE HAD A HABIT OF RAMBLING WHETHER I WON OR LOST.
YOU SEE,



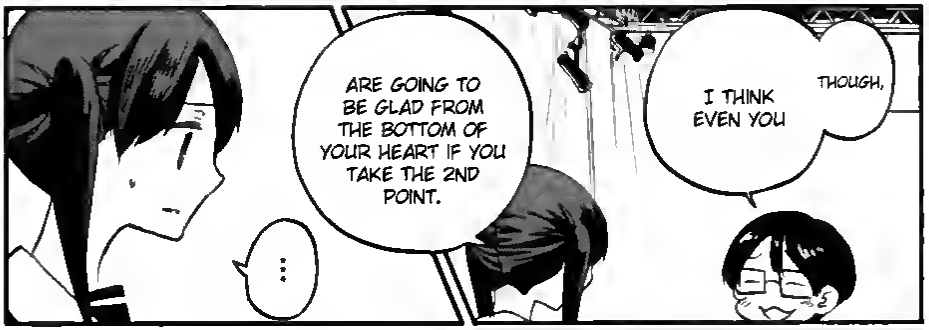
...I SEE.
SAYING THAT I'M NOT SERIOUS ENOUGH.
shut up
MASTER GOT REALLY ANGRY AT ME...
THAT'S WHY
!?



THAT ENDED UP MAKING HER UPSET AS WELL.
cause she's gloomy that way
BUT SOME WAY OR ANOTHER
...
annoying...
I'D END UP MAKING SOME WEIRD DISINTERESTED FACE WHETHER I WON OR NOT.
SO THEN

EVER SINCE,
I'VE DECIDED TO JUST SPEAK MY MIND,
SINCE HER REACTION IS GOING TO BE THE SAME ANYWAY.
Gotta be yourself after all!
!
I UNDER-STAND.
DID IT ANNOY YOU?
NO
ICHINOSE-SAN, I THINK IT'S FINE FOR YOU TOO,
TO ACT GLAD WHEN YOU'RE HAPPY OVER A WIN.
THERE ARE PEOPLE WHO DISLIKE THIS, OF COURSE,
SO I TRY TO BE MINDFUL OF THAT.

Being happy about winning.....?



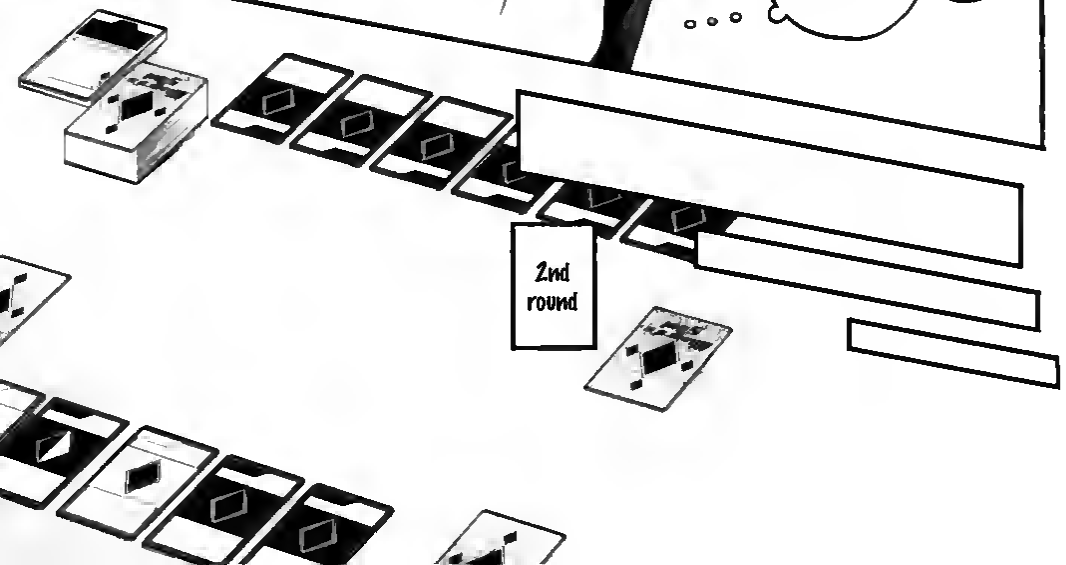
I certainly have felt relief after winning,

but I haven't once felt happy about it.

Will I learn the reason

if I can win once more...?

MAA~



THE SECOND ROUND OF THE FINAL
HAS DEVELOPED COMPLETELY ONE-SIDEDLY-
IT SURE HAS--
...
Ichinose-san has
decreased the amount of her Wall creatures out of caution for that combo in the first round.
On the other hand,
Chikudate-san has read that completely
and discarded his Pele-Maui combo
in favor of small fast creatures with haste and burn...

DIDN'T I TELL YOU?
CHIKUDATE-KUN'S DECK AFTER USING THE SIDE BOARD
IS TOTALLY MY FAVOURITE TYPE!
SUMMONING! HITTING! BURNING!
MY TURN.
END TURN.
'GOD OF SORCERY - KAMAPUA'A' SUMMON.
MY TURN.
BEFORE YOU END
END TURN.
I DESTROY 'GOD OF SORCERY - KAMAPUA'A'.
DRAW.
FROM MY HAND I PLAY 'DEATH'S BECKONING'.

I OPEN MY FACE-DOWN CARD
'HALE-MA'UMA'U'S FIRE'.
1500 DAMAGE TO YOU.
...I RECEIVE IT DIRECTLY.
1500 LEFT.
ICHINOSE-SAN
HAS BEEN ACCURATELY DESTROYING ALL THE DANGEROUS CREATURES BUT...
AAH
MANAKA'S SPELLS ARE COSTLY,
SO SHE CAN'T AVOID IT ALL...
ALL BECAUSE HER OPPONENT FIELDED A SPEEDY DECK.
AS EXPECTED,
SHE CAN'T WIN AGAINST THAT.

MY TURN.
DRAW.
I PLAY 'GODDESS OF THE BLAZING MOUNTAINS - HI'IAKA' FROM MY HAND.
PLEASE WAIT.
I OPEN 'VANISHING EXISTENCE' AND DESTROY HER
THEN-
I PLAY 'KILAUEA GRAND ERUPTION'.
1500 DAMAGE.

FUHEHE.
I DID IT!
NH!!
I LOST.
It loses extremely easily.
of Manaka's deck.
This is the original form
when I looked at her deck list
This is the form of the games I imagined

GP SHIKOKU
FINAL
HIRO. CHIKUDATE
MANAKA. ICHINOSE
HIRO.
MANAKA.
But even with that, if she plays as she has so far,
if it's Manaka...
she should be able to win...

I want to win...
If I win
I might figure out the meaning
of this unknown feeling...

These cards were weak in direct confrontations until the appearance of the Pele-Maui combo made this Burn deck capable of competing with current meta decks

Many contestants that aimed for the overall victory were defeated by his unexpected burn deck.

The decks that focused their side boards on countering Angel decks have a hard time dealing with this deck

ウィザーズソウル Q&A

WSの疑問にお答えします。

私が答えます

Q. Aren't Destroy Spells too strong in WS?

In return these can supply the opponent with Soul Crystals, so it might not pay off to use them in many situations. That's why these spells are designed to be comparatively powerful. It's the same with burn cards.

Q. Uehara-kun didn't seem that strong, why was he in the Top 8?

The Angel Deck at the core of the current meta was actually a somewhat different one. That is why he continued to win without getting countered by those who prepared for the more meta deck. As introduced by Eita-kun in the first chapter at the card store, the true meta Angel Deck is built around 'Angel Leader Seraphina', but since Uehara-kun spent all his money on 'Valhalla' he couldn't obtain 'Angel Leader Seraphina' anymore. So since he competed with this previous version of the meta deck, and through his aggressive play style he instead ended up in the Top 8.

Q. What kind of deck does Kokona-chan use?

She uses a 'You may copy this spell as often as you have "Cat" cards in your graveyard' spell to create a large number of Cat Tokens to completely catify her opponent.

Q. By the way, Eita-kun's bag seems to have been replaced with a different one at some point...?

You're not allowed to bring any cards into the battle areas. That's why he brought his usual bag for outside that area and a smaller one for his personal belongings for inside that area. The main bag is stored in a locker at the avenue.

Q. There aren't any deck cases or other stuff on the tables during all the fights, why is that?

You're not allowed to place anything but your certified cards on the tables. Pen and paper for note taking is fine, too. During the Top 8 phase everything else needs to go through the judge first if needed.
